*"When we founded the college more than ten years ago we described ourselves as the laboratory for missions and expressed our determination to reach the mission field which has come to us. As Chancellor, my project will be to help our students grow in this vision to reach the ethnic communities around us in every urban area of our country. Come to this Gateway to the world - see the vision and share it with us. "*

*Reaching the World  
Through You*

Pomona | CA

# *Striving for excellence in assisting local churches in equipping God's people for the work of the ministry since 1998.*

*Every student majors in Bible, with at least 30 hours required in addition to his or her area of concentration.*

## *Commitment*

Our name describes us. Every region of our great country has its unique characteristics, but the PACIFIC coast seems to be most identified with cultural diversity and with wickedness. PBC trains pastors, missionaries, teachers, and church workers with the needs of the western region and the world in mind.

We are distinctively BAPTIST. We are local-church based, soul-winning oriented, separated, and Christ-centered. We are fundamentalist with conviction as opposed to new evangelical with compromise. We are fundamentalist with compassion, speaking the truth in love. In the tradition of historic Baptists, we hold to the absolute authority of the Word of God.

## *Obedience*

At Pacific Baptist COLLEGE every student majors in Bible, with at least 30 hours required in addition to his or her area of concentration. We believe that in every area of knowledge, we seek to apply it to our instruction, understanding and wisdom. The Bible is the rule for our faith and practice. It is not only to be understood, but it is to be believed and obeyed.

## *Preparation*

While we firmly believe in academic excellence, we do not neglect the fellowship and the joy in stirring the fires of a passion to see people saved and growing in Christ.

“Education begins with its basis in Biblical truth and extends itself to the various avenues of academics. Each student is encouraged to achieve his highest ability.”

*Pastor Russell Gordon, Ph.D.  
Vice-President for Academics  
Senior Pastor, Riverside Baptist Church
