This course prepares church teachers for communicating with students from the elementary to the college age student. It considers purposeful Bible study, preparation of aims, laws of teaching, application of lessons, and the use of modern technology in using audio/visual tools for communicating with youth and developing the various methods of lesson preparation.

CM 311 Church Activities

[3 Hours]

This is a practical course designed to understand the philosophy of church activities and to design programs for all types of recreational activities including camping programs.

CM 322 Contemporary Youth Issues

[2 Hours]

This course examines the problems facing youth transition from childhood to adult life. Emphasis is placed on problems relating to self-esteem, puberty, peer influence, and interpersonal relationships. Prevention and management strategies for normal adolescent conflict resolution will be proposed from a Biblical perspective.
